MISSION STATEMENT

Policy Statement

Wissahickon Charter School (“Wissahickon”) is committed to creating a safe, positive learning environment for all of our students, staff, parents, and community partners. Wissahickon will work to assure that all students and staff are well motivated, fully aware of their potential and dedicated to lifelong learning as competent and productive human beings. Wissahickon believes that all children can learn in a safe environment.

With everyone’s commitment to this Code, we can all create a proper learning environment at Wissahickon Charter School.

Purpose of the Code

Wissahickon has adopted this Code to support the creation of a safe learning environment for all members of the school community. The purpose of this Code is to clearly state our standards for acceptable conduct of students. This Code also explains the consequences of not meeting these standards. This Code establishes a zero tolerance policy for conduct that endangers the safety of the schools and/or disrupts the educational experience for other students. Wissahickon does not permit corporal punishment.

This Code also sets forth the discipline procedures for the students who have committed violations of the Code. This Code is not meant to be a contract between Wissahickon and the students, and may be amended at any time. It is a place for Wissahickon to explain certain policies applicable to students.

Scope of Student Code of Conduct

This Code of Conduct applies to conduct of Wissahickon Charter School students that occurs:

- Off school grounds at any school-related activity, function or event;
- Off school grounds when the conduct may reasonably be expected to (i) endanger the safety of students, teachers, administrators, or any other member of the school community; or (ii) substantially and materially disrupt the school; and
- While traveling to and from school on school buses or vans, regardless of the Charter School or District of ownership, or on public transportation.

ATTENDANCE

Absences

On any day that a student is going to be absent because of an illness or for any other reason, the parent/guardian must telephone the school office before 8:30 a.m. with the child's name, grade and reason for the absence. Your call will be recorded on an answering machine or handled directly by a secretary. Please call the school office each day the student is absent.

It is the responsibility of the parent/guardian to make arrangements with the teacher(s) for the completion of all missed schoolwork. School assignments missed during the student's absence should be obtained from the teacher by notifying the teacher or Director.

Participation in class and in the school community as a whole is an essential component of a Wissahickon Charter School education. Daily attendance is the foundation upon which students' successful mastery of class materials is based.

Frequent absences from class affect the student's ability to learn and the teacher's opportunity to teach. As a result, the student's grades and social interactions may suffer.

Individual attendance and lateness figures are recorded on a student's official transcript, which is maintained in confidential office files. In the event that students graduate or transfer to another school, this information will be forwarded and may affect admission decisions.

Within **three** school days upon returning to school after an absence, students are to present a note to the school office containing the **dates of absence, the reason for the absence, and a parent/guardian signature with a contact number**. Absences for reasons of illness, funeral, medical and dental appointments, and religious observance or court appearances will be considered excused. Students who are absent more than 10 days or 3 consecutive days due to illness are required to bring a doctor's note for verification. Failure to do so may result in the absences becoming unexcused. Family trips/vacations are considered unexcused absences unless previously approved by the administration.

Attendance shall be required of all students enrolled in the school during the days and hours that the school is in session, except that the Administration may excuse a student for temporary absences when he/she receives satisfactory evidence of such mental, physical or other urgent conditions which may reasonably cause the student's absence.

Truancy

Pennsylvania Department of Education Truancy Elimination Plan defines truancy as any absence from school or from any scheduled class without a written explanation or acceptable reason. This also includes any student who leaves class without the permission

of the teacher. Unexplained and unexcused absences are recorded as truantries. The Charter School Law and the PA State School Code requires the charter school to inform the Charter School District whenever the student has three (3) days of unexcused absence during the school year. The School District is responsible under the Pennsylvania School Code to bring action against parents or students who have violated the compulsory attendance laws. Penalties include the imposition of a fine, completion of parenting education programs and community service, and/or jail time.

Students are considered truant if they are not in school or class, unless their absence has been excused. The charter school notifies parents in writing of unlawful attendance violations, dates and potential consequences. The School is willing to meet with families in a collaborative effort to establish a Truancy Elimination Plan. Once an Official Notice of Child's Illegal Absence letter is issued, the charter school will report additional violations to the student's home school district of residence. Without further notice to the family, the home school district will file a citation for each offense with the local District Court. A student who has accumulated 3 unexcused/unlawful absences (or the equivalent) may also be referred to Truancy Court or Childline, per state law and PDE guidelines.

The Truancy Elimination Plan (TEP) is developed cooperatively with involved stakeholders through a school-family conference, which is required upon the school's notice to the student's parent/guardian upon the third unexcused absence.

Pursuant to Chapter 11.24 of Title 22 of the Pennsylvania Code, students whose names are on the active membership roll, who are at anytime in the school term absent from school for 10 consecutive school days, shall thereafter be removed from the active membership roll unless one of the following occurs: (1) The district has been provided with evidence that absence may be legally excused; (2) Compulsory attendance prosecution has been or is being pursued.

The following conditions are considered to constitute reasonable cause for absence from school:

1. **Serious Injury to or Death in the Immediate Family:** The immediate family of a student includes, but is not necessarily limited to parents, grandparents, brothers and sisters.
2. **Medical or Dental Appointments:** A note from the medical professional is required to consider this absence as excused.
3. **Personal Illness or Injury:** A note from a medical professional is required.
4. **Quarantine:** An absence that is ordered by the local health office or State Board of Health.
5. **Court or Administrative Proceedings**
6. **Observance of a Religious Holiday:** If the religious tenets to which the student and/or his/her family adhere require observance of the holiday.
7. **Out of School Suspensions**

8. Other Absences Approved by the Administration

To the extent required by law, no student excused due to observance of a religious holiday shall be deprived of an award, eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

The office will contact students who have a pattern of excessive excused or unexcused absences. Wissahickon Charter School will make every effort to work with the parent/guardian/student to reduce absences. Please be advised, however, that Wissahickon Charter School is required to report three days of unexcused absences to the child's school district of residence. The school district of residence may proceed with compulsory attendance prosecution against the parent and/or student, which may include fines and/or other penalties.

Additionally, Pennsylvania Law requires that students whose names are on the active membership roll, who are at any time in the school term absent from school for 10 consecutive school days, shall thereafter be removed from the active membership roll unless one of the following occurs:

- The school has been provided with evidence that absence may be legally excused, or
- Compulsory attendance prosecution has been or is being pursued

Please be aware that calling your child out of school, or sending a note, does not mean the absence is excused.

Tardiness

The Board of Trustees and Administration of Wissahickon embrace the philosophy that students are expected to be on time for school everyday. Daily attendance will be taken at 8:26 AM in the student's first period class. If a student is not in his or her first period class at 8:26 AM, he or she will be considered tardy to school regardless of the time of entry into the building. When late, the child must report to the main office, through the main school entrance and obtain a late slip, which they must present to his/her classroom teacher.

Punctuality at school is an extremely important part of each student's education and has carry-over implications for later life. Tardiness is a major factor in a student's lack of progress in school. Once a student falls behind classmates, because of tardiness, it is difficult to catch up and quite often a student will develop a dislike for school, develop behavior problems and a lower self-concept. Something important happens each period, each day. It is important that all students are at school on time.

Early Dismissals

Early dismissals may be requested for funerals, medical appointments, and court appearances. Early dismissals are strongly discouraged. Such requests must be made no

later than the morning of the requested early dismissal. Students are to present a note to the school office listing the date, time and reason for dismissal, and including a legal custodial signature with a phone number to confirm the early dismissal. If the office is unable to contact the parent in person or by telephone to confirm the early dismissal on the date of the dismissal, the student will not be permitted to leave the building. At the time of dismissal, the student must report to the front office to sign out of the building. The child must be signed in and out of school by the parent/guardian. No child is ever dismissed from school without the parent/guardian present. Verbal dismissals (by phone) and emails will not be permitted at Wissahickon. In the event that school is still in session after the appointment, the child is required to return to school.

Illness During School Hours

- It is the responsibility of the parent and/or guardian to ensure that a child attends school in good health and prepared to learn. Lingered illnesses should be treated by a doctor.
- If a child becomes ill during the course of the school day, he/she reports to the nurse's office.
- If the child must be sent home, the parent or guardian will be called and is expected to come to school to pick up the sick child.
- It is imperative that all health information and records are current. Please contact the school nurse at 267-338-1020 if there are any changes in your child's health that must be addressed immediately.
- ***It is imperative that emergency records are kept up to date so that a responsible adult can be reached at all times.***

Educational Leave of Absence Policy

A planned absence, which extends beyond three consecutive scheduled school days, requires a formal application process in advance according to Educational Leave of Absence Policy. The formal request must be made to the Administration 30 days prior to leaving, and include the dates, destination, and purpose of the trip, a description of the educational value, specific plans for enrichment, and arrangements that have been made for making up missed classroom work. Planned absences that shorten the school year by coinciding with either the beginning or the end of the Wissahickon extended school year are not permitted. Educational leaves of absence will only be approved for up to ten days.

Lockers

Each Middle School student is assigned a locker and s/he is responsible for that locker only. Such lockers, shelves or cabinets remain the property of Wissahickon Charter School at all times. Any student tampering with a locker other than his/her own is subject to serious disciplinary action. A student is never permitted to trade lockers or locks with another student, nor is s/he permitted to occupy an unused locker. Lockers may be used before class in the morning, at teacher's discretion and after the student's last class. Unfortunately, lockers are not absolutely safe and the following suggestions should be heeded:

- Valuable items should not be stored in them.
- Students should not give combinations to other students, no matter how good the friend.
- Make sure the locker doors are completely shut and the lock is secured.
- Jackets and coats should be marked discreetly so they can be identified.

Search And Seizure

The Board of Trustees acknowledges the need for safe in-school storage of books, clothing, school materials and other personal property. Lockers, shelves or cabinets may be provided. The Board of Trustees reserves the right to authorize the Administration or designee to inspect a student's storage space when such has a reasonable suspicion to believe that the storage space is improperly used for the storage of contraband, a substance or object the possession of which is illegal or any material which poses a hazard to the safety, sanitation and good order of the school.

A student's person and possessions may be searched by the Administration provided that the individual has reasonable grounds to suspect that the search will turn up evidence that the student had violated or is violating either the law or the rules of the school.

Prior to a locker search, students shall be notified and given an opportunity to be present. When school authorities have a reasonable suspicion that the locker contains materials that pose a threat to the health, welfare or safety of students in the school, student lockers may be searched without prior warning.

Any illegal or prohibited materials seized during a student search may be used as evidence against the student in a school disciplinary hearing or proceeding and may be turned over to law enforcement authorities.

Guidelines and Consequences for Student Behavior

To foster a positive school culture at Wissahickon Charter School, priority will be placed on modeling and actively teaching positive behaviors such as cooperation, assertion, respect, empathy, challenges, kind and respectful communication, curiosity, self control and commitment to learning, cultivation of a feeling of connection and community, intellectual rigor, and compassionate responses to those who are upset or in need. Although the active teaching of positive behaviors will be of paramount importance at Wissahickon Charter School, the necessity of explicit prohibition of negative behaviors—with prescribed consequences when a prohibition is violated—is also recognized.

Accordingly, we stipulate that no student may engage in conduct, or encourage any other person to engage in conduct, that jeopardizes or threatens the health, safety or welfare of any member of the school community, or that disrupts or undermines the educational mission of Wissahickon Charter School.

None of the consequences listed below will be applied in such a manner as to discriminate against any student based on race, sex, color, religion, sexual orientation, national origin or disability. The Administration of Wissahickon Charter School will impose consequences for behavior that falls within the range of consequences for a particular violation of this Code. The severity and/or nature of the consequence imposed will be based on factors including, but not limited to, age of the student, number of prior offenses, disability, and/or severity of the violation.

Wissahickon Charter School has the right to impose consequences for acts or behaviors that are not specifically delineated within this Code if those acts or behaviors threaten the health, safety and/or welfare of other members of the school community, or if those acts or behaviors disrupt the learning environment.

Various means may be used by school personnel to discourage or extinguish undesirable behaviors. Some means will be “restorative” in the sense that they involve “making up for” damage that was done: for example, a student who mistreats another might be required to do something that restores the dignity of the victim (e.g., offer an apology in front of peers), or a student who damages property might be required to repair whatever damage was done. Other means might focus on encouraging greater self-awareness and compunction in the transgressor: for example, a transgressor might be required to write about the transgression, its consequences, and perhaps suggest what s/he would consider an appropriate punishment. Various other means will be used as well and may include counseling the student; conferencing with the parent(s); assigning extra responsibilities at school; assigning community service; or imposing make-up time, Saturday school, in-school suspension, out-of-school suspension for up to ten (10) consecutive school days, or referral to the Board of Trustees for an expulsion hearing with a recommendation that the student be expelled for a period of more than ten (10) consecutive school days.

Corporal punishment is defined as physically punishing a student for an infraction of the discipline policy. Use of corporal punishment is strictly prohibited by law and school policy. Teachers and school authorities may only use reasonable force under the following circumstances:

- (1) To quell a disturbance.
- (2) To obtain possession of weapons or other dangerous objects.
- (3) For the purpose of self-defense.
- (4) For the protection of persons or property.

Behavioral Probation at WCS:

No matter how diligently we work with students to establish goals and commit to agreements about how we need to behave to support those goals; no matter how carefully we set up routines and model and practice them, no tri-semester will pass without rule-breaking. It's part of the business of all children to test limits, but adolescents, especially are figuring out how power works, and to what extent they can operate independent of the adults who have so much of it. It's part of healthy growth toward adulthood to try things out on their own, and it's part of the job of educators to guide that process so students are safe and respectful to others while they learn to be responsibly independent.

However, from time to time the general program of discipline and management will not work for a student. Research supports that despite consistent efforts, a school wide behavior model may not always work for 100% of the student population. Therefore, when Responsive Classroom(LS) and Developmental Designs(MS) fails to meet all of the needs of any student other interventions need to be put into place. These interventions are meant to support the student by providing additional structure and a clear plan for improvement. These structures are also meant to communicate more consistently with the parent, to ensure that the home and school are in agreement of the additional supports given to aid in ensuring that said student adheres to policies & procedures set forth by WCS. The Student Accountability Plan (referenced in this document) speaks to the General Program and Behavioral Probation as it relates to student discipline and management of student behavior at WCS. The two levels of BP are identified and outlined below:

Prior to placing a child on Behavioral Probation Level 1, the following systems and supports are given to ALL students:

- Morning Meeting daily 30 minutes to reinforce CARES values of Cooperation, Academic Excellence, Responsibility, Empathy & Self-Control
- Explicit teaching of responsive classroom and development designs as embedded in the curriculum and taught daily by all staff.
- Academic Advisory A+ - Middle School only to support academic & social growth

- Creation of social guidelines with student input - Guidelines are created each year whereby students provide input to staff as a means to help hold students accountable and live out our daily agreements
- Social guidelines are reviewed consistently with students, posted in classrooms, common spaces and are mailed home to families.
- Assemblies each month to help reinforce CARES values
- Celebration of positive and consistent student behavior through CARES recognition
- Communication with families via email, telephone & in person meetings to discuss growth both academically and socially
- **If a student is displaying disruptive behavior, a teacher may ask that student to TAB** (Take A Break) 2-3 minute break away from the group in the designated spot marked T.A.B. - Goal is to provide the student with space and time to reflect and quickly repair behavior
- *A student who has not responded to in-class redirects **might** need some time away from his/her regular environment and the opportunity to make a written plan to get back on the right track. Upon re-entry, teacher must have a 1-3 minute social conference with the student. This can happen at the door or inside the classroom (off to the side, between teacher and student only) This is called **Buddy Room - LS / TAB OUT - MS***

Behavioral Probation Level 1:

-Students who consistently struggle to meet the behavioral expectations of WCS will be placed on Behavior Probation. This may include frequent TABs, Buddy Teacher/TAB outs, being sent to ReSet, calls home, meetings with families via phone & in person, make up time and suspension.

-Family/School meets at the onset of BP 1 to go over the goal(s) for the student. Goals are set up to help students in areas where they struggle consistently. Student will have a managed behavior plan that must be signed by teachers and parent/guardian daily. The plan will have a points goal for the week for the student. Each student's plan will be tailored to fit them so while a specific percentage for every student isn't set in stone, each student will be expected to show positive results on their behavior plan.

-Family/School contact will occur at least **twice a month**, via an in person meeting or phone call with the Dean of Culture and or a designee. The DOC monitors students on BP, so he/she is the main contact between the school and family.

-Check in meetings with DOC

-Other aspects of BP can include, Make up Time after school, Saturday Make- up Time, community service, sessions with Counselor, peer mediation, mentoring by an adult ally, and other possible interventions that are agreed upon by the school and family when students are not meeting their goals. This list is not exhaustive and not necessarily relevant for every student on BP, but speaks to what we most often see when a student is on BP Level 1.

Behavioral Probation Level 2:

- Students on BP2 have not met their goals on BP1 and continue to struggle with following the rules and expectations of the school. Even with the interventions on BP1 and a more focused and concentrated support given, the student doesn't progress.
- The formal contact with the parent is still twice a month, but one of these contacts must be in person.
- Many of the same interventions/supports will be utilized for a student on BP2
- Checks in with DOC will be more frequent.
- The team will take a look at the supports and interventions and make adjustments where needed; the goals on behavior plan may(or may not) be tweaked, and the points may be adjusted
- **During BP2 Family meeting, it is made clear that failure to show progress may result in a referral for an expulsion hearing, and if suspended while on BP2 the student can be brought up for expulsion. This also documented on the Student Accountability Plan.**
