Message from the Dean Kristi:

Dear Families,

I'm writing with just a few short announcements this week. Thank you to the over 40 family members who participated in our remote annual Title I Caregiver meetings. Your input was very helpful! If you weren't able to come, we still want your input and will be sharing a survey soon to collect your ideas.

As you have likely seen, this past week vaccine possibilities have become available for children ages 12-15. [The Department of Public Health has a page](#) that can help you find places that are offering the vaccine for children.

Finally, I just wanted to share a reminder that next Tuesday is election day. There are many important local elections and ballot questions. Please go vote!

PS- Remember that starting next week, Fridays for the remainder of the year will be asynchronous, meaning there will be no online live instruction. We are using this time to meet with staff to make plans for next year.

Take Care,
Kristi
