Message from Dean Kristi

Dear families,

It's been a busy and exciting past week at Wissahickon. Staff were able to have meaningful Professional Development last Friday led by our Director of Culture, Niema Golphin. Our lottery for new students was held on Wednesday and it's exciting to think of the new students who may join us next year. We held our first vaccine clinic which served many Wissahickon families and staff. Finally, we started celebrating Black History Month. Lots of good stuff! Thanks for all the ways you make our community healthy and happy.

Warmly,
Kristi
